SKATER OF THE MONTH

Adult Starskater, Tracy Parker, is December's Skater of the Month. Tracy heads to Innsbruck, Austria this month to compete in the Adult Masters World Games. She will represent the Sunshine Coast Skating Club.

Tracy has been training hard and is an inspiration to all. She is extremely coachable, has a great work ethic, inspires young and old, keeps a positive attitude and exemplifies good sportsmanship within our club and wherever she travels for seminars and competitions. Around 3,000 athletes from around the world will gather in Innsbruck in January 2020 to compete in 12 disciplines in the Winter World Masters Games, the self-styled "World's Greatest Winter Sports Festival". Read more! The World Masters Games is an international multi-sport event which is open to sports people of all abilities, starting at the over-30 category (the minimum age criterion depends on the sport). This experience is bound to be exciting and we hope your journey is amazing Tracy!
