SKATER OF THE MONTH

Skater of the month for March is Teigan Turner. Teigan is a year round skater. She is thrilled to be able to skate here on the coast for April and May this year which will mean only having to travel off coast for June and July. Teigan's overall improvement can be attributed to her commitment level. She skates 5 days a week, has taken the Program Assistant Training and helps Assist with the CanSkate Learn to Skate Program giving her time and giving back to the club, younger skaters and community. She participates in off-ice fitness and mental prep, does skating ballet as well as additional fitness training and mental prep privately. Teigan recently won a Bronze Medal at the Regional Championships and based upon her high scores has received an invite to the provincial Development Camp in Kelowna in April. She will compete in April in the Super Series competition on Vancouver Island and in May at the Super Series competition in Vancouver. Teigan is polite, respectful and a great role model. Congratulations Teigan keep up the great work.

Message from the Board...

Regrettably, we inform you that effective tomorrow, Tuesday, March 17th, all SCRD recreational facilities will be closed indefinitely. Whereas we understand the importance of this decision, it comes with some emotional feelings for our organization. As many of you know, the Sunshine Coast Skating Club along with the Sunshine Coast Minor Hockey Association has worked very hard over the past couple of years to lobby for the extension of ice at our facility. The decision determines that all SCSC spring programs will be cancelled or postponed. Spring registration fees will be fully refunded for CanSkate and AdultSkate Programs. Our Board of Directors are still awaiting the SCRD decision to whether or not the ice will remain installed at the Sechelt Ice Arena. This decision will determine whether we postpone our Junior Academy and STAR programming or cancel it for the season. We thank you for your patience and support as we work through this process.

Year End Performance Night

On March 14th, Skaters from the Sunshine Coast Skating Club showcased their talent in front of a small audience at the Gibsons Ice Arena. It was wonderful to celebrate all of our talented athletes in a time of uncertainty. We are proud of all of our skaters success throughout the season and the performance was the perfect way to showcase their hard work and dedication throughout the season.

Thank you to all those that were able to help out throughout the evening- it takes a village!
