Skater of the month for May is Justine Hoehne. Justine moved up from Jr Academy to StarSkate this season and continues to improve rapidly. She received a GOLD assessment at her first competition- Vancouver Island Super Series in Parksville this April.

Justine always brings a smile and great attitude to the ice. She is very coachable and participates in both on and off ice classes. She has been travelling along with other skaters to Squamish for May and to Sunset Arena in Vancouver for June while no ice on the coast.
