Skater Of The Month: Isabella Jones

Isabella has been with our club longer than any of our participating StarSkaters today. She is a Program Assistant for our CanSkate Program, will test her GOLD skills this year and will compete in Star 5 ladies 13&O at 4 different competitions. Isabella is a great role model for the upcoming skaters and a fine example of all the life skills and values sport can offer. Isabella does a great job maintaining a balanced life with highschool, skating, volunteering and a job. Continued success all round Isabella!
