Message from the Board of Directors:

A big welcome to our new and returning families. We are now a couple of weeks into our fall season and hopefully everyone has been able to familiarize themselves with our web page: www.sunshinecoastskatingclub.ca, which has lots of helpful information including schedules. There will be a slight change to some program times once the Sechelt Arena opens on Tuesday, September 24th.

Our **Director of Skating**, Lesleigh Farr, will be holding parent meetings for the CanSkate and Junior Academy families. An email will be sent out shortly with the dates. The meeting is held at the arena while the skaters are on the ice and lasts approximately 30 minutes. It is great chance for parents to ask any questions they may have and to learn more about our Professional Coaches, what to expect from the program, correct equipment and so on.

Raffle tickets are circulating. Any one that would like additional books can see Lisa Watts, our fundraising co-ordinator, or any member of our executive. Fundraising is vital to our organization's success. Raffle winners receive a cash prizes just in time for Christmas. This is also a great way to work off some of those volunteer hours!
