Skater of the Month

TEIGAN TURNER

Teigan Turner is our October Skater of the Month. Teigan is 15 years old, a grade 10 student at Chatelech Secondary School. When Teigan is not on the ice she enjoys hanging out with friends, hiking with her family and paddle boarding. Teigan is going to compete in Juvenile U15 this season in the competitive stream. She will also compete with her Artistic Solo in Star 7 Artistic. During April-June, when ice was removed from our home rinks, Teigan travelled to the city to train and attended Champs International Skating Club for two weeks in July. Teigan attended all August programming here on the coast and continues to participate in dryland training both with the club and on her own with Big Riggs Fitness. Teigan likes to give back to the club by volunteering with the younger skaters in the CanSkate program when she can. Teigan is positive, polite, respectful and is a good role model for younger skaters. Keep up the good work Teigan!
